

ST. PAUL'S LUTHERAN INTERNATIONAL LANGUAGE  
SCHOOL & PRESCHOOL OF GARDEN GROVE

*Connecting and Transforming Lives*

## WELCOME

---

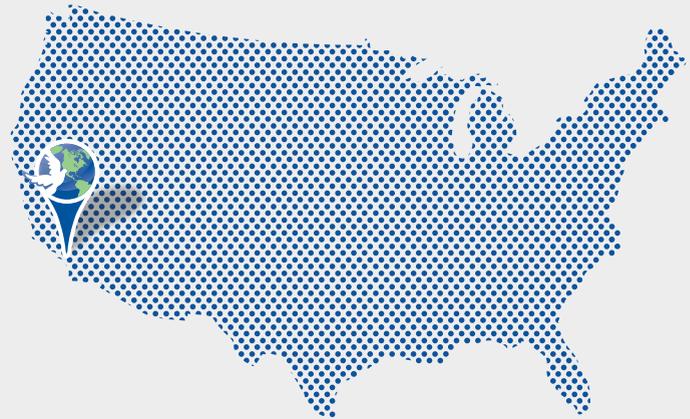

St. Paul's Lutheran International Language School welcomes intellectually curious students to our campus in a highly diverse city. St. Paul's is an educational ministry devoted to the spiritual growth and academic development of students, through cultural activities in Southern California.

The Lutheran School system is a large successful network with over 288,000 students nationwide. There are over 2,400 preschools, elementary and middle schools, high schools, colleges, universities, and seminaries that make up the Lutheran Church–Missouri Synod (LCMS) system. The Lutheran School system operates 130 high schools across the nation. The LCMS also manages the Concordia University System, consisting of 10 universities located in Alabama, California, Illinois, Michigan, Minnesota, Nebraska, Oregon, New York, Texas, and Wisconsin.

## LOCATION

---

St. Paul's is located in Garden Grove, California, in the heart of sunny Orange County. Our quaint town is less than 40 minutes from Los Angeles International Airport (LAX) and approximately 20 minutes away from John Wayne Airport (SNA). We are surrounded by miles of beautiful beaches, destination theme parks and endless options for fun in the sun! The abundant museums and world famous sights of Los Angeles are also easily accessible.

## HOMESTAY

---

Our network of homestay families are looking forward to welcoming select students into their homes. Students will have an opportunity to practice English with local families, while learning about American culture in a nurturing environment. Students and families are carefully matched based in an in-depth questionnaire and interview, by qualified homestay experts. All families are reviewed/approved prior to student placement. Opportunities to meet each other through video conference are available as well. Homestays range from \$1,200-1400/month, depending on the age of the student.

*The vision of St. Paul's Lutheran International Language School is to model academic excellence, bridge English language development, mold future leaders, and connect students to the Concordia system of education.*
